Bowl as one or many to support Dorcas House and their goals of Striking Out Domestic Violence.

Domestic Violence is not just a hot topic of the day for us at Dorcas House; It is an everyday topic.

Arkansas ranks in the top 3 states for domestic homicides.

1 in every 4 women will experience domestic violence in her lifetime.

Females from age 20-24 are at the greatest risk of nonfatal violence.

Domestic violence is one of the most chronically under reported crimes.

The Dorcas House provides a safe environment for women and children to be able to heal. We seek to help break the cycles of domestic violence, rather than just be a "band aid". Learn more about Dorcas House and how you can be involved to help lessen the effects of abuse for Arkansas Women.
