Domestic Violence in Arkansas

1 in 3 women experience some form of domestic violence in their lifetime

453 victims in Arkansas served by domestic violence programs in 1 day

Intimate partner violence accounts for 15% of all violent crime

1/3 of Little Rock homicides in 2022 are believed to be related to domestic violence

The **Dorcas House** is a safe haven of healing for women and children caught in domestic violence. We seek to end the cycle of abuse and provide a holistic approach to recovery for each individual.

Businesses, churches, and individuals that would like to be a sponsor are being asked for a minimum of \$1000

Teams of 6 for bowling are \$200 and individual bowlers are \$40

Thank You for Helping Us Strikeout Domestic Violence!
